Incident Management

PART OF A MANAGED SECURITY MONITORING SERVICE

WE ALWAYS KNOW WHAT'S GOING ON

This is our core service. We are always collecting data and analysing it so we can tell you immediately when something is not right. We are proactive and assertive about keeping you out of trouble.

- ◉ **WHEN SOMETHING BAD HAPPENS YOU DON'T WANT TO JUST GO THROUGH THE MOTIONS.**
- ◉ **YOU WANT SOMEONE WHO KNOWS THE ACTUAL SITUATION THAT IS IN FRONT OF YOU.**
- ◉ **BECAUSE WE'RE DOING THE MONITORING WE CAN RESPOND FASTER, AND BECAUSE WE KNOW THE CONTEXT WE CAN HELP YOU RESPOND APPROPRIATELY.**

Finding the signals in the noise.

KEY FEATURES

Expert security team to prevent incidents from becoming breaches.

Investigations performed 24x7.

Incident reporting, escalations and prioritisation process, fitting around your business.

Relevant evidence preserved for incident investigations, chain of custody.

We become part of your Incident Response Plan.

WHAT WE CHARGE YOU FOR

We bill you a fixed amount every month based on our projected staff time, which is a function of access to our team, how much traffic we're looking at, how many sources, size of your company, and the maturity of your general security posture.
